Allowable Subject Matter

This communication is in response to applicant's amendment which is filed July 21, 2006 in the application of Beenau et al. for a "biometric safeguard method with a fob" filed March 26, 2004.

The proposed amendment has been entered and made of record. Claims 1-2, 4 and 13 have been amended to more particularly point out and distinctly claim the invention.

The new set of claims 17-20 have been introduced.

Applicant's amendment and argument with respect to the pending claims 1-16, filed July 21, 2006, places the application in condition for allowance.

Claims 1-20 are allowed as evident by applicant's amendment and argument.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest a method of determining whether said transaction exceeds a combination of said preloaded value and a reload value defined by a reload protocol data file associated with said transponder, wherein said preloaded value data file and said reload protocol data file define predetermined values for use in satisfying a user transaction request; notifying a user to proffer a biometric sample to authorize use of said combination of said preloaded value and said reload value to complete said transaction; authorizing said transaction to proceed by

applying said preloaded value from a first funding source associated with said transponder and applying a portion of said reload value from one of said first funding source and a second funding source according to said reload protocol data file.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nam V Nguyen whose telephone number is 571-272-3061. The examiner can normally be reached on Mon-Fri, 8:00AM - 5:00PM.
